IN THE PACIFIC

Pacific Partnership for the New Urban Agenda (PP-NUA)

The PP-NUA aims to provide support to Pacific Island communities in implementing the Pacific New Urban Agenda, and meeting the voluntary commitments that Pacific countries have made. It aims to respond to the needs and aspirations of communities by facilitating partnerships and mobilising resources. It also seeks to strengthen a cohesive regional approach to capacity building, policy development and project implementation.

Working Pillars of Pacific Partnership of the New Urban Agenda:

Environment, Resilience & Infrastructure

Social Equity and Urbanisation

Urban Economy

Urban Governance
